The Women's Review of Books

Index to Volume XIV

October 1996-September 1997

The Index is in two parts. Part One is a combined author and title index of all works reviewed. Part Two indexes the writers of reviews, as well as the authors of essays and the participants in interviews. Essay titles and interview topics are shown in quotation marks (e.g.: Abramovitz, Mimi: *"A not so hidden agenda: why the Right wants the end of welfare"*. **14:5, Feb 97).**

Entries in the Index are identified by volume and number, then month and year. (A double issue, No.10-11, is published in July.)
